| 0 of 0 people found the following review helpful. | This is the state of the art in Sign Language. | By Lynn A. Ellsworth | I always keep a copy on hand for reference and to give away, Take one with you and visit a school for the deaf and give them a copy of "The Joy of Signing". People who can sign tend to be able to communicate across language barriers better than those of us relying on spoken languages. Teachers at the schools ca | About the Author | **Dr. Lottie L. Riekehof** has been associated with deaf people, sign language teaching, and interpreter training for many years. She was one of the first to promote the signing of music and has successfully trained a number of choral groups
Teaches sign language in sentences rather than individual words. Includes graphic drawings, index, and additional learning tools.
